Dear Ms. Brooks,

Many thanks for The Sarah Kristin Owen Fund of the Pittsburgh Foundation's generous grant in the amount of \$10,000 to POWER for general operating support. Our committed staff are able to provide the highest quality treatment and support services for women as they struggle to overcome addiction to alcohol and other drugs because of the generosity of supporters like you. Your desire to turn personal tragedy into a positive force will surely change lives for the better.

Whether a woman finds her way to our twenty-five bed Halfway House, our Outpatient/Intensive Outpatient Program, or POWER Connection, our community-based partnership with Allegheny County's Office of Children, Youth and Families, POWER helps her attain the tools she needs to win as she fights the toughest battle of her life.

This grant brings us closer to the realization of our vision of a day when all women who are struggling with addiction will embrace the journey and realize the promises of recovery, enhancing and strengthening their bonds with children, family, and community.

On behalf of the women POWER has helped as they start new lives and on behalf of the girls we hope to reach, thank you very much.

Warmly,

Rosa R. Davis, ACSW
